

# Getting ready for Christmas

On November 23, 2021, FHRAI, and FHRAI-IHM faculty and students came together to celebrate this event and got their hands dirty while mixing fruits and nuts over a Hi-Tea.

**T**he cake mixing ceremony is a community event held to commemorate the preparations for Christmas and New Year. Fruits and nuts are harvested before winter and soaked in rum before being used to make Christmas cakes. This activity is used to prepare sweet treats for a celebration and is now done as a team bonding exercise. On November 23, 2021, the FHRAI and FHRAI-IHM communities came together to celebrate this event on the FHRAI-IHM campus.
